Entry Deadlines

The accurate and timely submission of examination entries to Awarding Organisations is essential to ensuring the effective delivery of our services to candidates. Entries submitted after the published deadlines may disrupt established administrative processes and risk compromising the provision of examination materials and the timely release of results. Accordingly, late entry fees are applied to cover the additional administrative costs, charges imposed by Awarding Organisations, and to encourage adherence to published entry deadlines. Please note that late entry fees are non-refundable.

Entry Information

Places offered to private candidates are limited and subject to conditions. Preliminary entry does not guarantee you will be accommodated at this centre. Entries should be made on a pre-entry form, including all information marked as mandatory. The form must then be signed and dated to confirm your understanding. Your form will not be processed until all requested information and supporting evidence (where required) is provided.

Access arrangements can only be facilitated where full evidence has been supplied.

If The Bridge Alternative Provision is able to accommodate your entry/entries, you will receive a provisional entry confirmation and an invoice for examination entry fee(s) and the centre's administration fee(s). Final entries will not be submitted to the awarding body until the invoice has been paid in full.

Cancellations are non-refundable.

In case of query, please contact the exams office on 01225 592763 or exams@tbap.co.uk.
